Please read the risk factors carefully, see section titled “*Risk Factors*” on page 17 of Shelf Prospectus.

1. We require substantial capital for our business. If we are unable to obtain debt on acceptable terms and at competitive rates or raise capital when needed, it could have a material adverse effect on our business, financial condition, results of operations and cash flows.
2. Our business is vulnerable to interest rate risk. Volatility in interest rates could have an adverse effect on our net interest income and net interest margin, thereby affecting our results of operations and cash flows.
3. If we are unable to control the level of Stage 3 Assets / NPAs in our portfolio effectively, or if we are unable to maintain adequate provisioning coverage, or if there is any change in regulatorily mandated provisioning requirements, our financial condition and results of operations may be adversely affected.

ABRIDGED PROSPECTUS

4. We are subject to various covenants and obligations under our financing arrangements. If we do not comply with these covenants and obligations, our business, results of operations, cash flows and financial condition could be adversely affected.
5. Our Company, Subsidiaries, Promoters and Directors have been and may continue to be involved in certain legal and regulatory proceedings and may be subject to allegations that may or may not lead to any outstanding legal action. Any such allegations even if proven to be untrue, may result in adverse publicity and may negatively impact our reputation. Further, any adverse decision in such proceedings may have an adverse effect on our business, financial condition, cash flows and results of operations.
6. Our inability to assess and recover the full value of collateral, or amounts outstanding under defaulted loans in a timely manner, or at all, could adversely affect our business, results of operations and financial condition.
7. Our Company had experienced negative cash flows from operating activities in the past. Any negative cash flows in the future would adversely affect our cash flow requirements, which may adversely affect our ability to operate our business, thereby affecting our financial condition.
8. Our credit ratings may not reflect all risks accurately. Further, any downgrade in our credit ratings may increase interest rates for raising new and existing debt, refinancing our outstanding debt, which would increase our financing costs, and adversely affect our future issuances of debt and our ability to borrow on a competitive basis.
9. The fund requirement and deployment mentioned in the Objects of the Issue have not been appraised by any bank or financial institution.
10. Security on our NCDs may rank pari passu with our Company's secured indebtedness in the future.

The Applicant should mention his or her Permanent Account Number (PAN) allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. However, Applications on behalf of the Central or State Government officials and the officials appointed by the courts in terms of the SEBI RTA Master Circular and Applicants residing in the state of Sikkim who in terms of a SEBI Master Circular on Know Your Client (KYC) Norms for the Securities Market bearing reference number SEBI/HO/MIRSD/SECFATF/P/CIR/2023/169 dated October 12, 2023 ("**SEBI KYC Circular**") may be exempt from specifying their PAN for transacting in the securities market. In accordance with the SEBI RTA Master Circular issued by SEBI, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground.

However, the exemption for the Central or State Government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN field i.e., either Sikkim category or exempt category.

D. Joint Applications

Applications can be made in joint names (not exceeding three). In the case of joint Applications, all payments will be made out in favour of the first Applicant. An Applicant is allowed to make one or more Applications for the NCDs, for the same or other Series of NCDs, subject to a minimum application size of ₹ 10,000 and in multiples of ₹ 1,000 thereafter as specified in the Tranche I Prospectus. Any Application for an amount below the aforesaid minimum application size will be deemed as an invalid application and shall be rejected. However, multiple Applications by the same individual Applicant aggregating to a value exceeding ₹ 2,00,000 shall be deemed such individual Applicant to be a HNI Applicant and all such Applications shall be grouped in the HNI Portion, for the purpose of determining the basis of allotment to such Applicant. However, any Application made by any person in his individual capacity and an Application made by such person in his capacity as a karta of a Hindu Undivided family and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under the Issue, Applications shall be grouped based on the PAN, i.e., Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN of the sole or the first Applicant is one and the same.

F. Unified Payments Interface (UPI)

Pursuant to the SEBI NCS Master Circular, the UPI Mechanism is an applicable payment mechanism for public debt issues (in addition to the mechanism of blocking funds maintained with SCSBs under ASBA) for applications by retail individual bidders and high net worth individuals through Designated Intermediaries. All SCSBs offering the facility of making applications in public issues shall also provide the facility to make applications using UPI.
